

GENERAL INFORMATION

HYE-SORB NUE is an easy to apply product derived from plant extracts. **HYE-SORB NUE** contains natural polyhydroxycarboxylic acids. These organic acids make nutrients more available for root uptake. **HYE-SORB NUE** is particularly effective on young developing plants or established perennials beginning active growth in the spring.

FERTILIZER SUPPLEMENT: HYE-SORB NUE will not, by itself, provide the nutrients usually required by agricultural crops.

HANDLING: Read and understand label and Material Safety Data Sheet before use. Wear chemical safety goggles, rubber gloves and protective clothing. Wash thoroughly after handling.

CONTAINER HANDLING AND STORAGE: Store in a cool, dry place away from heat or flame. Do not store in open, unlabeled or mislabeled containers. Before moving container, fasten container tightly.

WASTE DISPOSAL: Observe all local, state and federal regulations and dispose of properly.

DIRECTIONS FOR USE

COMPATIBILITY: HYE-SORB NUE can be mixed with any Nitrogen, Phosphate, Potash or micronutrient fertilizers. **HYE-SORB NUE** mixes with most other chemicals used in the horticulture industry. If desired combination has not been previously used, a compatibility test is recommended. **HYE-SORB NUE should not be applied with phosphate or sulphate bearing fertilizer without a compatibility test first.**

HYE-SORB

NUE

NUTRIENT UPTAKE ENHANCER

ACTIVE INGREDIENT:

25% Polyhydroxycarboxylic acids.

Derived from natural plant extracts.

NOT A PLANT FOOD INGREDIENT

KEEP OUT OF REACH OF CHILDREN

Net Contents: 2.5 Gallons / 9.46 liters

Weight per Gallon: 11.0 Lbs @ 68°F

LOT NUMBER:

Manufactured For: Gar Tootelian, Inc.
8246 S. Crawford Ave Reedley, CA 93654

Emergency Phone: Daytime (559) 638-6311
Evening & Weekends (559) 908-9855

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive

CAUTION: Harmful if swallowed. Avoid breathing spray mist. May cause irritation of nose, throat or skin. Avoid contact with eyes, skin or clothing. In case of contact with eyes, flush with high volumes of water. Consult physician if irritation persists.

MIXING WITH CALCIUM: Mix 4 ounces of **HYE-SORB NUE** per pound of calcium nitrate OR mix 6.5 ounces of **HYE-SORB NUE** per pound of calcium chloride.

FOLIAR APPLICATIONS: Apply 2-8 ounces of **HYE-SORB NUE** per acre per application by ground or by air with the general fertilizing program. The higher rates are recommended for crops with large canopies or when a single or limited application of **HYE-SORB NUE** is anticipated during the season. Lower rates are recommended for crops with smaller canopies.

SOIL APPLICATIONS: Apply **HYE-SORB NUE** at 1 pint per acre per application to the soil or through irrigation systems from the time of planting or from bud break in the case of perennial plants. For crops that complete their cycle in less than 90 days, a minimum of 6 applications is recommended. For longer season crops, up to 3 gallons per acre may be applied. **HYE-SORB NUE** may also be applied at 1 pint per acre with any liquid fertilizing programs, as a tank mix with the fertilizers.

GREENHOUSE OR NURSERIES: Apply **HYE-SORB NUE** at 30-50 parts per million in the nutrient solution at each irrigation.

CONDITIONS OF SALE AND WARRANTY:

Gar Tootelian, Inc. (GTI) warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions. GTI neither makes, nor authorizes any agent or representative to make, any other warranties, express or implied, including fitness or merchantability. The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as timing and method of application, weather and crop conditions, presence of other materials, or other influencing factors, all of which are beyond the control of GTI. Buyer and user acknowledge and assume all risks and liability resulting from the handling, storage and use of this material not in strict accordance with directions given herewith. In no case shall GTI be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product. The foregoing is a condition of sale by GTI and is accepted as such by the Buyer. 11/07
